AREAS OF USE

Areas of use

01 Care shampoo for cleansing skin and coat

02 Removal of dirt, sebum and dead cells

DIRECTIONS FOR USE

Directions for use

1. Wet the coat thoroughly with lukewarm water.
2. Distribute the care shampoo (chamber 1) evenly through the coat.
3. Massage in gently until a light lather forms.
4. Leave the shampoo in the coat for 5 to 10 minutes.
5. Rinse thoroughly.
6. Dry the coat and brush if needed.

7. Repeat 2 to 3 times a week if needed, or as recommended by the veterinarian.

Recommended combination

No fixed combination is intended.

Guide quantity

01 Small dogs and cats about 15 ml, medium-sized dogs about 30 ml, large dogs about 50 ml.

Notes

- For external use only. Avoid contact with the eyes. In case of eye contact, rinse with plenty of water.
- The shampoo is a care product and does not replace a veterinary examination. Follow the veterinarian's instructions where applicable.
- Store at room temperature and protect from direct sunlight.
- Do not use in case of known hypersensitivity.
- Keep out of the reach of children.
- If skin problems persist, seek veterinary advice.
