AREAS OF USE

Areas of use

01 Daily dental and mouth hygiene

02 Cleansing of teeth and gum line

03 Uncomplicated application

DIRECTIONS FOR USE

Directions for use

Recommended combination

Hygiene Spray and Finger Toothbrush complement each other: the finger toothbrush cleans mechanically, the spray applies the solution to teeth and gums.

01 Spray the Hygiene Spray onto the teeth and gum line. Use daily.

02 Make sure it reaches the gum line and teeth evenly.

03 For a more thorough cleaning result, combine with the Sanocyn dental Finger Toothbrush.

Notes

- Follow the veterinarian's instructions where applicable.
- Read the labelling and product information before use.
- For use on teeth and gums as described in the instructions for use. In case of eye contact, rinse with plenty of water.
- Do not store above 25 °C and protect from direct sunlight.
- Do not decant into other containers.
- Do not use in animals with known hypersensitivity to the ingredients.
